Dear Mr. Mullard:

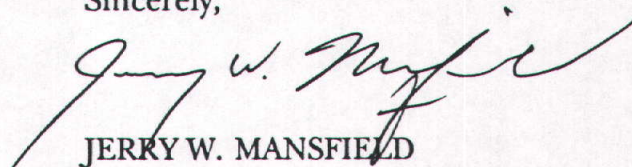

RE: Assignment of State of Utah Building Stone/Limestone Lease ML 43106

In response to your letter dated March 15, 1993, in which you are requesting to transfer ownership of the above-numbered mineral lease. In order for our office to process this request, the enclosed mineral lease assignment form must be completed. The form then must be returned, in duplicate, to our office and we will process this assignment, changing record title ownership of ML 43106 from Max Cooper to Northern Stone Supply, Inc.

We are retaining and will hold the \$25.00 check you forwarded to us, as it is the fee for a record title assignment, and when we receive the completed assignment form, in duplicate, we will process this assignment.

If you have any further questions concerning this matter, please contact this office.

Sincerely,

JERRY W. MANSFIELD
MINERAL RESOURCES SPECIALIST
